

Dr. Mark Kane has a proven track record of success in evangelism and discipleship, having faithfully served the Lord in Japan for twenty years. Now, after ministering to the Japanese Community of Metropolitan Detroit for several years, an open door exists for him and his family to return to Japan to work in local church ministry in Nagoya, the third largest city in that storied country of 127 million souls. An increasing number of Japanese and American Christians believe that God can use Mark, Harumi and their children to make an eternal difference in the lives of these and other Far Eastern peoples. I strongly encourage you to consider how you might partner with the Kanes to help them take advantage of this remarkable opportunity.
