

Mark and I prepared ourselves for the ministry together at Dallas Theological Seminary back in the 1980's. Every week we attended a Japanese congregation in Dallas together on Sunday as well as Wednesday prayer meetings. Since we graduated from DTS the Lord led us to minister in different areas of the world: Mark in Japan and I myself in U.S.A.. However, it was two years ago that the Lord brought us together again to serve Him in Nagoya.

We are excited about this opportunity that the Lord has given to us to reach out to many Japanese who do not know anything about Christ's love and His wonderful salvation.

He and Harumi have been doing a wonderful work as you read in his newsletters. With their ministry over 100 Japanese come to our churches every week to learn English, but they have opportunity to hear and experience God's Word as well as His love. Even their lovely three children have been doing a great ministry at Komaki Hope Chapel to start a Sunday school ministry for children. Our churches need their ministry to expand His kingdom.

Our churches also support Mark as much as we can, but they need your support to expand their ministry. With us, would you pray for Mark and his family and support financially as well? Please be a partner of God's outreaching ministry with him.
