

Recommendation from Pastor Mori.

The ministry of Mark Kane is being used and is working effectively. Many Japanese hesitate to attend programs at church, but we have been given many people who want to study English. Through the classes they can connect to church. In the English classes, God's Word is taught by Mark. Faith starts from listening to God's Word. His ministry is one of our engines of evangelism in this church.

Japan is one of the countries that have only a few Christians. It is not easy to lead Japanese people to Christ. By the work of the Holy Spirit some people will be saved. Without time, patience, prayer, the help of the Holy Spirit, and wisdom we cannot continue this work.

For that reason, Mr. Mark is our good co-worker. He loves Japan and tries to understand Japanese culture and people. He prays for opportunities to tell the gospel to other people.

His wife and children are supporting him too. English classes are a very effective way to build a good relationship between the church and the community. We are praying that from among these students that some may attend services and come to know the gospel and be saved.

Please pray for this ministry and support him financially too.
